

Trimble SketchUp Viewer License

Welcome to Trimble SketchUp Viewer! By downloading, installing or using Trimble software or any portion thereof ("**Trimble Software**") you agree to the following terms and conditions (the "**Terms and Conditions**"). The Software, and any portion thereof, are referred to herein as the "**Software**". By agreeing to these Terms and Conditions, you represent that you are 18 years old or older and capable of entering into a legally binding agreement. If you are a business entity, you also represent that you are duly authorized to do business in the country or countries where the Service operates and that your employees, officers, representatives, and other agents accessing the Service are duly authorized to access the Service and to legally bind you to these Terms and Conditions. In these Terms and Conditions, "**Services**" means any of Trimble's products, software, services and web sites.

1. USE OF THE PRODUCTS; CONTENT IN THE PRODUCTS

Trimble Navigation Limited and/or its affiliates ("**Trimble**") gives you a personal, worldwide, royalty-free, non-exclusive and non-transferable license to use the executable version of the Software.

This license is for the sole purpose of enabling you to use and enjoy the benefit of the Services as provided in the manner permitted by these Terms and Conditions.

1.1. Restrictions

You may not (and you may not permit anyone else to) copy, modify, create a derivative work of, reverse engineer, decompile or otherwise attempt to extract the source code of the Software, unless this is expressly permitted by law, or unless you have been specifically told that you may do so by Trimble, in writing.

You may not assign (or grant a sub-license of) your rights to use the Software, grant a security interest in or otherwise transfer any part of your rights to use the Software.

You may not use the Trimble Software in any manner that could damage, disable, overburden, or impair Trimble's operations (e.g., you may not use the Trimble Software in an automated manner), nor may you use the Software in any manner that could interfere with any other party's use and enjoyment of Trimble Services.

You may not use or host the Software in a virtual server environment.

You may not distribute, sell, sublicense, rent, lease, or use the Software (or any portion thereof) for time sharing, resale, or other purposes.

You may not remove any product identification, proprietary, copyright, or other notices contained in the Software.

1.2. Google Content

The Software allows you to access and view certain content, including photographic imagery sub-licensed to Google Inc. ("**Google**") and Google's licensors (the "**Google Content**"). By using the Software, you do not acquire any ownership rights, and Google and/or its licensors retain all ownership rights in the Google Content. You may not access or allow others to use or access the Google Content in any manner not permitted under the Terms and Conditions, unless you have been specifically permitted to do so by Trimble, Google or by the owner of that Content, in a separate agreement. The Photo Textures feature provides access to certain Google-owned Street View imagery, which is licensed by Google to Trimble, to enable creation of photo-textured models (the "**Street View Content**"). Trimble grants you a personal, worldwide, royalty-free, non-assignable and non-exclusive sub-license to use, reproduce, modify, perform and publicly display, and create derivative works of the Street View Content as embodied in a model created using the Photo Textures feature (a "**Photo Textures Model**"). You may not disassociate or separate the Street View Content from the Photo Textures Model. Without Trimble or Google's prior written authorization, you may not use or modify the Photo Textures Model in a mapping or geographic application or service (other than a Google owned and operated service, such as Google Earth).

2. PRIVACY POLICY

Protecting users' privacy is very important to Trimble. As a condition of downloading and using the Software, you agree to the terms of the Trimble Privacy Policy at <http://www.trimble.com/privacy.aspx> (<http://www.trimble.com/privacy.aspx>), which may be updated from time to time and without notice. Information collected by Trimble through its connection with your use of the Software may be stored and processed in the United States or any other country where Trimble or its agents maintain facilities. Accordingly, by using the Software you consent to any transfer of such information outside of your country. You acknowledge and agree that Trimble may access, preserve, and disclose your information if required to do so by law or in a good faith belief that such access preservation or disclosure is necessary to: (a) satisfy any applicable law, regulation, legal process or governmental request, (b) enforce the Terms and Conditions, including investigation of potential violations hereof, (c) detect, prevent, or otherwise address security or technical issues (including, without limitation, the filtering of spam), (d) respond to user support requests, or (e) protect the rights, property or safety of Trimble, its users, and the public. Trimble will not be responsible or liable for the exercise or non-exercise of rights under these Terms and Conditions.

3. PROPRIETARY RIGHTS

You acknowledge that (a) the Software contains proprietary and confidential information that is protected by intellectual property and other laws, and (b) Trimble owns all right, title and interest in and to the Software and any content provided through or in conjunction with the Software, including without limitation all Intellectual Property Rights.

thereto. **"Intellectual Property Rights"** means any and all rights existing from time to time under patent law, trade secret law, trademark law, unfair competition law, and any and all other proprietary rights, and any applications, renewals, extensions and restorations thereof, now or hereafter in force and effect worldwide. You will not, and will not allow any third party to, (i) copy, sell, license, distribute, transfer, modify, adapt, translate, or create derivative works from, decompile, reverse engineer, disassemble or otherwise attempt to derive source code of the Software, unless otherwise permitted, (ii) take any action to circumvent or defeat the security or content usage controls provided, deployed or enforced by any functionality (including without limitation digital rights management functionality) contained in the Software, (iii) use the Software to access, copy, transfer, transcode or retransmit content in violation of any law or third party rights, or (iv) remove, obscure, or alter Trimble's copyright notices, trademarks, or other rights notices affixed to or contained within or accessed in conjunction with or through the Software.

4. SOFTWARE UPDATES

The Software may communicate with Trimble servers from time to time to check for available updates to the Software, such as maintenance releases, covering bug fixes and major version releases, which may give you new, enhanced functionality as described on our support policy page: <http://help.sketchup.com/en/policy> (<http://help.sketchup.com/en/policy>) (collectively, **"Updates"**). The Software allows you to request and receive Updates automatically by default, though you have the choice to disable this feature. Likewise, you will need to take action to download and install the software on your computer as this action does not happen automatically.

5. U.S. GOVERNMENT RESTRICTED RIGHTS

The Software and any related documentation are deemed "commercial computer software" and "commercial computer software documentation", respectively, within the meaning of the applicable civilian and military Federal Acquisition Regulations and any supplement thereto. If the user of the Software is an agency, department, employee, or contractor of the United States Government, the use, duplication, reproduction, release, modification, disclosure, or transmission of the Software, including technical data or manuals, is restricted by the terms, conditions and covenants contained in the Software Terms and Condition. In accordance with Federal Acquisition Regulation 12.212 for civilian agencies and Department of Defense Acquisition Regulation Supplement 227.7202 for military agencies, use of the Software is further restricted by the terms and conditions of the Software Terms and Conditions. When the end user is an instrumentality of the US Government, the following terms apply: This agreement is a contract with the US Government and becomes effective when signed by the contractor and the Government Contracting Officer as an addenda to the Contract. If this is an ID/IQ contract or Schedule Contract, all activities placing orders against the ID/IQ contract are subject to this agreement as a term of the ID/IQ contract. This EULA (or TOS) shall bind the government, subject to federal law. This agreement shall not operate to bind an individual employee or person acting on behalf of the government in his or her personal capacity. The indemnity requirement shall not apply against the US Government; recourse against the United States for any alleged breach of this agreement must be made under the terms of the Federal Tort Claims Act or as a dispute under the contract Disputes Act clause (Contract Disputes Act) as applicable. Venue and jurisdiction of any disputes are determined by the terms of the Software Terms and Conditions.

federal statute.

6. EXPORT RESTRICTIONS

The Software may be subject to export controls or restrictions by the United States or other countries or territories. You agree to (i) comply with the requirements of the U.S. Department of Commerce (DOC) Export Administration Regulations (EAR) (see <http://www.bis.doc.gov> (<http://www.bis.doc.gov>)) and all applicable international, national, state and local laws, and regulations, including without limitation any applicable import and use restrictions, (ii) not re-export, directly or indirectly, the Software to any country outlined in the EAR, nor to any person or entity on the Denied Persons, Entities and Unverified Lists, the U.S. Department of State's Debarred List, or on the U.S. Department of Treasury's lists of Specially Designated Nationals, Specially Designated Narcotics Traffickers, or Specially Designated Terrorists, (iii) not export, or re-export the Software to any military entity not approved under the EAR, or to any entity for any military purpose, and (iv) not license, sell, provide or distribute the Software for use in connection with chemical, biological, or nuclear weapons or missiles capable of delivering such weapons.

7. COMPLIANCE WITH LAWS

You agree to comply with all local laws and regulations regarding the download, installation and/or use of the Software.

8. TERMINATION

You may terminate these Terms and Conditions at any time by permanently deleting the Software in its entirety. Your failure to comply with any provision of these Terms and Conditions will automatically and immediately terminate without notice from Trimble if you fail to comply with any provision of these Terms and Conditions. In such event, you must immediately delete the Software.

9. SURVIVAL

The provisions of Sections 3, 5, 6, 9, 10, 11, 12, 13, 14, 15 and 16 shall survive any termination or expiration of these Terms and Conditions.

10. INDEMNITY

You agree to hold harmless and indemnify Trimble and its subsidiaries, affiliates, officers, agents, and employees against any claim, suit or action arising from or in any way related to your use of the Software or your violation of these Terms and Conditions, including any liability or expense arising from all claims, losses, damages, suits, litigation costs and attorneys' fees, of every kind and nature. In such a case, Trimble will provide you with written notice of such claim, suit or action.
